
MARCUS GRANT

SPEAKER AT:

GREEN CITIES, HEALTHY PEOPLE. PLANNING HEALTHY URBAN SPACES

October, 30th and 31st, 2013, Barcelona

Marcus Grant, Deputy Director of the Who Collaborating Centre for Healthy Urban Environment, [University of the West of England](#), United Kingdom

Marcus Grant is acting director of the [WHO Collaborating Centre for Healthy Urban Environments](#), based at the University of the West of England (UWE). Marcus holds a first degree in ecology and is a landscape architect and urban designer; he is an Associate Professor in the Department of Architecture and the Built Environment. Marcus has been examining issues of sustainable development and urban health for over twenty years in both consultancy and academia. Together with Hugh Barton, Marcus has co-authored '[Shaping neighbourhoods – for local health and global sustainability](#)'; a reference and toolkit for the planning and design of healthier and more sustainable places. Marcus has also published on the health benefits of green space.
