MICHAEL DUNN

CV

PARTICIPANT OF:

GOOD PRACTICES FOR FOSTERING TRANSFORMATIVE RESEARCH IN HEALTH AND LIFE SCIENCES

May, 10th-11th, 2012, Barcelona

Michael Dunn, Ph.D.

Head of Molecular and Physiological Sciences, Wellcome Trust

Michael Dunn is Head of Molecular and Physiological Sciences in Science Funding. Having obtained a PhD in biochemistry at the University of Cambridge, he went on to work on the genetics of type 1 diabetes at the Wellcome Trust Centre for Human Genetics in Oxford and the Cambridge Institute for Medical Research. Michael joined the Trust in 2000. His role is to manage and develop its scientific portfolio and community of investigators to enable the Trust to achieve its mission. Michael also leads on the development of the Trust's Strategic Challenge of 'Maximising the Health Benefits of Genetics and Genomics'.
